

2019 Detroit Grand Prix SCCA Hotel Information

As in the past couple of years, with the rising hotel prices in the downtown area, we are unable to offer any type of group discounted rate for lodging.

However, here are several links which you can use to search for a good deal:

- [Airbnb](#) and [HomeAway](#) are both good options. If you aren't familiar with the area, contact us and we'll be happy to point you in the right direction.
- A low-cost option near the downtown area is the [Hostel Detroit](#). This unique hotel features dorm-style rooms, shared bathrooms and kitchens.
- Hotel rooms in the nearby northeast suburbs of [Roseville](#), [Sterling Heights](#), [and Warren](#) are relatively close and offer reasonable rates.
- And you can always stay at one of the many [downtown hotels](#), however be warned that prices are high for the convenience of being close to Belle Isle. (Also many hotels charge extra for overnight parking – make sure to ask.)

Some of our volunteers stay at the [Comfort Inn](#) on Jefferson Avenue, not 4-star, but very close to the Island.

Don't forget to use your [SCCA](#) or AAA discount number when booking hotels!

Detroit restaurants are crazy good. We're a city serving its famous Coney dog and Greek eats alongside award-winning sushi and steaks. Where craft beers are brewed and liquors are distilled on-site.
